-  mamura chawk,Noida

## SKILLS

- HTML5,CSS3,JS(ES6)
- React.js
- Express.js
- Node.js
- MongoDb,Mongoose
- Git & Github
- Responsive Web UI
- Hopscotch.io

## SOFT SKILLS

Problem-solving, teamwork, adaptability, time management, communication

## AVAILABILITY

- Availability: Immediate joining
- Flexible with work shifts

## ACHIEVEMENTS

- Took part in online MERN hackathons and coding challenges.
- Learned and applied APIs, authentication, and CRUD operations.
- Solved 75+ DSA problems covering arrays, strings, stacks, queues, linked lists, and recursion

## PROFILE

I have a strong foundation in MERN stack development with hands-on experience in MongoDB, Express, React, and Node.js, building full-stack web applications with authentication, CRUD operations, and RESTful APIs. Alongside, I possess solid knowledge of core data structures and algorithms, including arrays, strings, stacks, queues, linked lists, and recursion, which helps me write efficient and optimized code, handle dynamic data effectively, and solve complex problems in web development projects.

## EDUCATION

B.Tech, Computer Science – Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow | 2021-25

Senior Secondary (12th) - UP Board | 2021

Secondary (10)th - UP Board | 2019

## TRAINING / COURSES

- Sigma'24 by apna College - MERN Full Stack
- Sigma'24 by apna College- DSA
- Training at Ducat - MERN Full Stack

## PROJECTS

Airbnb Clone | MERN Stack

- Full-stack web app with property listings, booking management, and CRUD operations.
- JWT-based authentication with secure login/registration and role-based access control.
- Built with RESTful APIs, React state management, and reusable components for scalable architecture.
- Follows best practices for security, modularity, and real-world application workflow.

## LANGUAGES

Hindi , English
